

OTE 87-1009

23 March 1987

MEMORANDUM FOR: Certain Component Chiefs

25X1 FROM:

Director of Training and Education

SUBJECT: Full-Time Academic Training

25X1 1. Last Fall, the DCI asked the Agency to move toward a goal of tripling the number of Agency officers sponsored for full-time academic training. (We now sponsor about officers per year. This number has been more or less constant over the past decade.) The purpose was twofold. To help our people reach their fullest potential and, hence, their ability to contribute to the Agency's work. And to fill gaps in expertise that we are experiencing or will experience in the future.

2. To move toward this goal and to spread the word among Agency employees about the opportunities for sponsored, full-time education, we issued an Agency-wide notice (see attached).

3. This prompted hundreds of inquiries and some 80 serious expressions of interest. We have compiled a list of officers in your component that have expressed such interest. We have also gotten back to those individuals notifying them that we have passed on their names to their component chiefs.

25X1 4. I encourage you to do what you can to strengthen CIA's future by increasing our investment in our people in this way. And, I and OTE stand ready to offer any assistance that we can.
